

Directions to Apache Lake Resort and Marina

Take Superstition Freeway (60) to Exit 196 (Idaho Rd/88 East). Head north on Idaho Rd. (just over 2 miles) to 88 East. Turn right. 88 East (also known as Apache Trail) will take you to Apache Lake.

16.8 miles from the 88 East Turn-Off you will be at Tortilla Flat. Continue past Tortilla Flat. The road will become well-maintained dirt five miles past Tortilla Flat for about 4.5 miles, then paved again. There are several one-lane bridges and the road is very narrow in places.

At the 14-mile mark from Tortilla Flat, you will be at the Apache Lake turn-off. The sign says "Apache Lake Resort 1 Mile". Turn here. The new restaurant is on your left before you get to the stop sign. Stop here for camping and hotel check-in as well as for Roundup registration (on the patio), memorabilia and information. Check-in begins Friday at 11:00AM. Registration Opens Friday at 1:00 PM

Drive safely. If you get lost, pull over and scream as loud as you can. Hopefully, someone will hear you.

Note: Apache Lake can also be reached from Roosevelt Lake. This may be preferable to "Apache Trail" if you are hauling a boat or trailer, or driving a motor home. It is advised to use if vehicle length is 30ft +.

Call Chairperson or Co-Chair for directions if needed.
