HOW COCAINE ANONYMOUS WORKS IN THE SUN VALLEY INTERGROUP OF ARIZONA DISTRICT

Cocaine Anonymous in Phoenix has always tried to adhere to the principles and traditions of our fellowship as a whole. We have lost our identity as an anonymous fellowship whose primary purpose is to carry its message to the addict who still suffers. We recognize the danger of affiliation with other groups or organizations. In keeping with the Twelve Traditions, Cocaine Anonymous (a.k.a. C.A.) in Phoenix, hereafter referred to as SUN VALLEY INTERGROUP, (or S.V.I.), has developed working principles, which guide our actions. Some of these follow:

ANONYMITY

Individual anonymity is paramount. No C.A. member has the right to disclose the identity or membership of any other C.A. member. We must always maintain personal anonymity at the level of press, radio, television and film. Inquiries for verification of a person's membership in C.A. are always turned down; S.V.I. under no circumstances makes such a disclosure; however, Chairpersons of C.A. meetings routinely sign "attendance verification cards" from treatment programs, courts or probation departments.

MEMBERSHIP

In the spirit of Tradition Three, "The only requirement for membership is a desire to stop using cocaine and all other mind-altering substances". An addict is a member of Cocaine Anonymous if they say they are one.

C.A. MEETINGS

CLOSED MEETING: Attendance is restricted to C.A. members only.

OPEN MEETING: Attendance by anyone interested in Cocaine Anonymous is permitted; however, visitors are asked to respect the anonymity of those attending the meeting.

C. A. HOSPITALS AND INSTITUTIONS MEETINGS

OPEN HOSPITALS AND INSTITUTIONS MEETING: Attendance is restricted to C.A. members only. **No visitors are permitted at any time.** The 7th Tradition is never observed. **At the request of the hospital or institution** the meeting may be listed in the C. A. Meeting Directory.

CLOSED HOSPITALS AND INSTITUTIONS MEETING – Attendance is restricted to people on the Hospital and Institutions Committee, their guest speakers, and clients of the hospital or institution. **No visitors are permitted at any time.** These meetings are not listed in the meeting directory, and the 7th Tradition is not observed.

THE COCAINE ANONYMOUS GROUP

The basic unit in C.A. is the local Group, which is autonomous in matters affecting other Groups or C.A. as a whole.

The Group has but one primary purpose, to carry its message to the addict who still suffers. Each Group is self-supporting through its own contributions. As the Twelve Steps are our guide to recovery, the Twelve Traditions are our guide to Group unity, growth and discipline.

The importance of the Group, what it constitutes, and its functions can't be stressed enough. Maintenance of our recovery depends on the sharing of our experience, strength and hope with each other.

Most addicts in C.A. achieve and sustain their recovery as a result of their participation in the Group, as well as working the Twelve Steps. The Group is the heart of C.A. and it is vital to the new member. It is equally important to those who have achieved recovery as a result of the program.

The Group's first responsibility is perhaps best expressed by the First Tradition: "Our common welfare should come first; personal recovery depends upon C.A. unity."

Most meetings follow a set format, although distinctive variations have developed. A leader describes the program briefly for the benefit of the newcomers, and then turns the meeting over to the speaker or to participation. A "Speaker Meeting" involves one or more speakers who relate their personal histories and may give their personal interpretation of C.A. A "Participation Meeting" involves individuals voluntarily sharing their thoughts and feelings.

Some time during the meeting, there is usually a period for C.A. announcements of interest to the meeting. A collection is taken to cover rent, literature and chips, refreshments, contributions to the District, Area and World Service Office as per the Seventh Tradition. Generally, a separate collection is taken for the Hospital and Institutions.

DEFINITION OF A C. A. GROUP

A meeting may call itself a C.A. group when the following conditions are met:

- 1.) The only requirement for membership is a desire to stop using cocaine and all other mind-altering substances.
- 2.) It is fully self-supporting.
- 3.) Its primary purpose is to carry its message to the addict who still suffers.
- 4.) It has no outside affiliations.
- 5.) It has no opinion on outside issues.
- 6.) Its public relations policy is based on attraction rather than promotion. Its members maintain their personal anonymity at the level of press, radio, television and films.

DEFINITION OF A C.A. HOMEGROUP

A Group is a C.A. Homegroup if it meets the conditions for a C.A. Group as defined above, and wishes to be a Homegroup. Under the Intergroup's By-Laws, a Homegroup needs to be recognized by the Intergroup to be part of Intergroup.

FLYERS

Flyers that announce special speakers may use only the speaker's first name and the first initial of their last name, and may also mention where the speaker is from. All flyers must include the **Arizona C.A. Logo**, with the registered trademark symbol, and the pull date. Flyers must be cleared and approved by an Advisor* before they can be printed and distributed. They must not include any reference to facilities or outside enterprises in such a way to imply any endorsement of these facilities. **All proposed dates for C.A. events must be approved and cleared through the Fundraising and Entertainment Committee** to ensure that there are no conflicting dates for such events.

ADVERTISEMENTS

All advertisements for C.A. events must be approved prior to their publication at the monthly business meeting of S.V.I.

* See Advisor description

GENERAL GUIDELINES

1. It is suggested that standing committees update their guidelines (if changes have been made) at the beginning of each year (January) and provide the board of Sun Valley Intergroup a copy of the updated guidelines by February of the same year

7. Each sub-committee is directly responsible to Sun Valley Intergroup. The Chairperson of each sub-committee, or their designated representative, shall report their sub-committees activities to the SVI body and provide a written summary for distribution to the board and at each regularly scheduled meeting of Sun Valley Intergroup

Group Trusted Servants Homegroup Level

GROUP TRUSTED SERVANTS - HOMEGROUP LEVEL

As Tradition Two reminds us, "For our Group purpose there is but one ultimate authority - a loving God as he may express himself in our Group conscience. Our leaders are but trusted servants; they do not govern." They do, however, lead. Group servants at any level should be familiar with the Twelve Steps and the Twelve Traditions. The following are suggested guidelines for the formation and organization of C.A. Groups in the S.V.I Arizona District. Each C.A. Group is autonomous and may organize itself within the Traditions as it sees fit.

GROUP SECRETARY

The Group Secretary is a trusted servant whose responsibility lies in providing the C.A. Group with the leadership best suited to improve the recovery of the members through utilization of the C.A. program. The suggested requirements for this office are a working knowledge of The Twelve Steps and The Twelve Traditions.

Duties and responsibilities include:

- 1.) Seeing that the format, in accordance with the group conscience, is followed.
- 2.) Seeing that responsibilities of other trusted servants are met.
- 3.) Seeing that the 7th Tradition and Hospital and Institutions collections are accounted for in accordance with the group conscience, through the G.S.R.
- 4.) Seeing that the group conscience is represented through the G.S.R. at the Sun Valley Intergroup monthly business meeting.
- 5.) Seeing that rent for meeting space is paid.
- 6.) Keeping an accurate, up to date record of changes in the group conscience.
- 7.) Keeping a record of the Homegroup list.
- 8.) Keeping a record of each officer's election date.

SUGGESTED SOBRIETY REQUIREMENT — 1 YEAR

SUGGESTED TERM OF OFFICE — 1 YEAR

GENERAL SERVICE REPRESENTATIVE (G.S.R.)

The G.S.R. is the link between Sun Valley Intergroup and the Homegroup. It is the responsibility of the G.S.R. to carry the conscience of the group to the monthly business meeting of S.V.I.; however, the G.S.R. is not necessarily bound by this group conscience when voting at S.V.I., in keeping with Concept III (the traditional "Right of Decision") of the Twelve Concepts for World Service. The G.S.R. is also responsible for bringing monthly donations from the 7th Tradition and the H & I collections to S.V.I. and the purchasing of chips and literature.

The suggested requirements and responsibilities for the office of G.S.R. are as follows:

- 1.) Have a working knowledge of the Twelve Steps, Twelve Traditions and Twelve Concepts for World Service.
- 2.) Be an active member of the Homegroup.
- 3.) Attend the S.V.I. monthly business meeting.
- 4.) Keep the Alternate G.S.R. informed, and notifying them if they cannot attend the monthly S.V.I. meeting.
- 5.) Submit a monthly Donations Statement and turn it in to S.V.I.

SUGGESTED TERM OF OFFICE- 1 YEAR
SUGGESTED SOBRIETY REQUIREMENT- 1 YEAR

ALTERNATE GENERAL SERVICE REPRESENTATIVE (G.S.R.)

The Alternate G.S.R. assumes the duties and responsibilities of the G.S.R. when necessary, such as attending S.V.I. monthly business meeting when the G.S.R. is unable to attend. The suggested requirements are the same as those for the G.S.R.

SUGGESTED TERM OF OFFICE — 1 YEAR
SUGGESTED SOBRIETY REQUIREMENT — 1 YEAR

GROUP TREASURER

The purpose of the Group Treasurer is to keep an open record of the Group's income and expenses, and to give the Group a monthly financial report. The Group Treasurer disburses funds for the purchase of coffee, cakes and other supplies, and turns over the Seventh Tradition and Hospitals and Institutions donations to the General Service Representative. It is suggested that the group name the Treasurer and either the Group Secretary or the G.S.R. as a co-signer on the bank account. Sun Valley Intergroup can assist the group with information on how to establish non-profit status at most banks in the Greater Phoenix Area. The group's finances should be open to any and all Homegroup members upon request.

SUGGESTED TERM OF OFFICE — 1 YEAR
SUGGESTED SOBRIETY REQUIREMENT — 1 YEAR

2. Attend the World Service Conference (WSC) prepared, in order to be able to vote knowledgeably. Every Conference Delegate, after his or her election, will notify the World Service Office (WSO) in order to be placed on the mailing list and to receive all Conference materials, which require several hours of study.
3. After the Conference, the Delegate transmits the information back to his or her Area through Area and District Meetings as well as to individual Groups. It is important that the information about the WSO and WSC be passed on with enthusiasm, encouraging the continued health and growth of C.A.
4. Delegates shall encourage their Areas to generate funds to help support World Services.

Further, in the spirit of rotation, wherever possible, Delegates should only serve one term and not consecutive terms.

The procedure for creating the Delegate Slate* is as follows: Each candidate shall be approved for the slate or not approved. It is suggested that SVI send a slate with at least 2 candidates (and up to 4) for each open position.

FINANCE COMMITTEE

Statement of Purpose

To carry the message of Cocaine Anonymous, other than reaching out on a personal level, funds are needed to expedite the many functions of the fellowship; from the Group, to Sun Valley Intergroup, (SVI), to Arizona Area of CA, Inc. and to the World Service Office, (WSO). The moment a CA member's hard-earned money is put in the basket at a CA meeting, it is expected that CA's trusted servants will handle these contributions in a responsible manner. It is expected we do everything possible to see that the money is used wisely and cared for judiciously.

The Finance Committee suggested duties and responsibilities are:

1. To help maintain accurate financial records for Sun Valley Intergroup.
2. To utilize a reasonable check and balances procedure to ensure bookkeeping integrity.
3. To be responsible for coordinating with SVI's Accountant and making sure all appropriate state and federal tax forms are filed in a timely manner, to maintain Arizona non-profit status, per 501©-3 regulatory guidelines.
4. To complete all required forms with payments for The Arizona Corporation Commission annual requisites including the timely filing of an Annual Report due in April of each year.
5. To ensure all requisite insurance premiums and correspondences are maintained.
6. To work with an accounting professional, coordinating all Treasury issue resolutions.
7. To coordinate with all SVI standing committees, as oversight, reviewing annual Budget Reports for establishing SVI's annual budget. (An annual Budget will be provided, to SVI and the Board, no later than February, provided all standing committees have, turned in their respective Budgets, to the Finance Committee, by December of the previous year, otherwise, it will be 1 month, from receipt, of the last Budget Report, received.)
8. Establishing a Prudent Reserve formulation, with set percentages, to determine funds in excess of Prudent Reserve, for disbursement, up, to Area and World.
9. To conduct a final count and reconciliation of monies turned in at SVI.
10. Deposit the monies into SVI's banking account the day following SVI. (Deposit slip to be filled out and provided by the Treasurer at SVI.)
11. Review online banking account activity and specifically report on any unusual transactions or that all transactions appear legitimate at SVI.

The Finance Committee Chairperson suggested qualifications:

1. **Will be selected by the SVI Governing Board.**
2. Is recommended, to have at least 3 years of sobriety.
3. Be active members of Cocaine Anonymous.
4. Should possess a working knowledge of the Twelve Steps, Traditions and Concepts for World Service.
5. Will conduct monthly meetings and provide minutes to SVI.

SUGGESTED TERM OF OFFICE – 2 YEARS
SUGGESTED SOBRIETY REQUIREMENT – 3 YEARS

Mismanagement Of Funds:

- Unfortunately, mismanagement of funds has occurred at Sun Valley Intergroup and within other various levels of CA. Adhering to the Treasurer Qualifications is our first defense from this happening again.
- Making certain we are using a responsible member of our local fellowship to handle our money is very important.
- Making sure they are providing us with accurate reports and regular reviews of the financial records is highly recommended.
- Utilizing one who has expertise in accounting can help provide objective third party oversight and guidance to keep the financial health of SVI functional and supportive of our goal in carrying the message of recovery, to all, who would have it.

Suggested Prudent Reserve:

- Prudent Reserve is a target goal, to be defined as, **4** months of operating expenses, to be calculated, using the previous two years **Total Expenses**, (removing all donations to Arizona Area, and CAWSO, within those previous 24 months expense totals), times 4/24.
- The Savings (money market) account Totals is used as Prudent Reserve.
- Prudent Reserve determination, will take place every February 1st.
- Total Expenses will be calculated from January through December of the previous two years.
- All left over monies in the checking account, the day of the monthly deposit, will be forwarded to Arizona Area and CAWSO using the 70/30 split, respectively, (70% to Arizona Area and 30% to CAWSO). The Treasurer may use his/her discretion in making the above donations if:
 1. There is an expectation of an irregular cash outflow (i.e. seed money, insurance payment) to occur in the next 3 months that would require an excess of cash on hand.
 2. It is reasonable to assume that the current month's deposit will not cover the current month's expenses.

Formula: (Previous two years Total Expenses – (Donations to CAWSO + Donations to AZ Area for those two years)) x (4/24)

EXAMPLE: Prudent reserve for 2007

$$75,345 - 9,970 = 65,375 \times 4/24 = 10,896$$

\$75,345.00 represents 2 years Total expense.

\$9,970.00 represents Donations to CAWSO & AZ Area.

\$65,375 represents the operating expenses from the previous 2 years.

(4/24) represents 4 months of the operating expenses of the previous 2 years.

\$10,896 is the Prudent Reserve.

ENTERTAINMENT AND FUNDRAISING COMMITTEE

The purpose of this committee is to organize entertainment and fund-raising events for Sun Valley Intergroup.

The functions of this committee are as follows:

- Organize dances, entertainment and fund-raising events.
- Print and distribute S.V.I. event flyers **after approval by an advisor. All flyers must include a pull date, the AZ C.A. logo and the registered trademark symbol.**
- Maintain a calendar of the upcoming C.A. events and provide timely updates to the Board of Directors and the S.V.I. Secretary, who keeps a master calendar of events.
- Approve and clear all proposed dates for upcoming C.A. events submitted by other committees of S.V.I.
- Report the activities of this committee at the regular meeting of S.V.I.
- Provide the C.A. Information Line, Public Information and Internet Committees with flyers and information on upcoming events.
- Keep track of events in other fellowships so as to avoid conflicting dates whenever possible.
- Arrange for interpreters for hearing impaired persons to be contracted for special event C.A. speaker meetings.
- Submit an annual Budget to the Finance Committee (due in December). Monthly expenditures that fall within the budget will be paid out via the Purchase Order system. Any special events or expenses that fall outside the budget would be approved by the SVI group conscience.

NOTE: All proposed dates for all C.A. events must be approved and cleared through the Fundraising and Entertainment Committee Chairperson.

HOSPITALS AND INSTITUTIONS COMMITTEE

The purpose of the Hospitals and Institutions Committee is to carry our message of recovery to addicts in H & I.

The functions of this committee are as follows:

- When allowed to do so, take C.A. meetings into facilities within the Phoenix, Arizona District.
- Provide a Liaison between treatment facilities and groups on the outside.
- Arrange purchase and distribution of C.A literature for H & I meetings. Literature should coincide with facility guidelines.
- Seek to understand, respect and adhere to all hospital and institutions regulations.
- Provide information about C.A.'s functions and purpose.
- Seek out new facilities which will accept a new C.A. H & I meeting.
- Provide speakers for treatment facilities.
- Plan and put on the Annual H & I Day.
- Inform S.V.I about the activities of the Hospital and Institutions Committee at the regular monthly business meeting.
- Submit an annual budget to S.V.I.
- Bring a monthly finance statement to the monthly business of S.V.I.

NOTE: The Bylaws of S.V.I Inc. have been amended as follows in regards to the Hospital and Institutions Collection, also referred to as the "H & I Can."

The monthly budget for H&I Committee of S.V.I is generated by the "H & I Can" for the previous fiscal year. If the average monthly income from the "H & I Can" is less than the monthly budget for the H&I Committee, S.V.I shall make up the difference from the General Fund. (S.V.I. 9/91)

The formula for figuring the annual budget for Hospitals and Institutions Committee is as follows:

The previous years budget, plus or minus the increase or decrease in the number of meetings currently being run by this committee. (Example: 15% increase in the number of meetings would result in a 15% increase over the previous year's annual budget.)

In any case, The H&I Committee's monthly budget must be equal to, or greater than the average monthly donation in the " H & I Can" for the past fiscal year. This is to preserve the integrity of The Hospital and Institutions Collection made at regular C.A. meetings.

THE H&I CAN

Because there seems to be some confusion in regards to the method of accounting for, and dispensing of, the money in the H&I Can, the following may be helpful. It is important that everyone thoroughly understands what is going on. At each meeting where the H&I Can is passed, the following statement is read: "The can being passed goes to support H&I's efforts to supply Big Books, Keychains & Literature to Newcomers in Hospitals and Institution." If, through misunderstanding, it is said that the money "does not really go to H&I," then we may expect the donations to drop off drastically. This why it is vital for each of us to understand exactly how the H&I Donations are handled.

Before the H&I Can was started, in November of 1990, 100% of H&I budget came directly out of S.V.I.'s 7th Tradition. As H&I was growing, this was putting an increasing strain on S.V.I.'s resources.

The confusion seemed to be connected with the lag time involved in the way H&I budget is figured, its expenses being one year ahead of it's collections. This was setup this way for two reasons. First, so S.V.I. would have the actual money in its account before it was budgeted back to H&I. S.V.I. would not have to "Front" the money- thereby decreasing the risk to S.V.I. Secondly, so H&I would have a regular, steady source of income. For example, in July, when our donations have always been low, H&I would be able to provide the same amount of key chains and literature as in May when our donations have always been high.

The effect of this arrangement is as follows:

In 1991, \$2957.70 was collected in the H&I Can for H&I.

In 1992, \$2957.70 was paid out to H&I (plus \$197.40 from S.V.I. to cover the rest of H&I's monthly budget.

In 1992, \$5113.32 was collected in the H&I Can for H&I.

In 1993, \$5113.32 was paid out to H&I (plus \$702.00 from S.V.I. to cover the rest of H&I's monthly budget)

In 1993, \$6678.96 was collected in the H&I Can for H&I.

In 1994, \$6678.96 was paid out to H&I (plus \$0.00 from S.V.I. to cover the rest of H&I's monthly budget.

NOTE: The budget for any sub-committee of S.V.I. is contingent upon the availability of funds. Each committee's monthly budget may be adjusted to the needs of C.A. as a whole with the agreement of the Treasurer of S.V.I. and the head of the committee in question. If the head of the committee, and the treasurer cannot agree, the matter will be resolved by S.V.I itself at the next regularly scheduled business meeting of S.V.I.

SUGGESTED FORMATS AND READINGS

COCAINE ANONYMOUS
OF PHOENIX, ARIZONA
SUGGESTED SPEAKER MEETING FORMAT

Welcome to the _____ speaker meeting of Cocaine Anonymous, My name is _____ and I am an addict. Are there any other addicts present?

Welcome! Not to embarrass you, but so that we may get to know you better, will those of you in your first thirty days of sobriety please raise your hands? Would you please stand and state your first name and your disease?

Are there any out of town visitors who would like to stand and state your first name and tell us where you are from?

Please help me open this meeting with the serenity prayer.

Cocaine Anonymous is a fellowship of men and women who share their experience, strength, and hope with each other that they may solve their common problem and help others to recover from their addiction. The only requirement for membership is a desire to stop using cocaine and all other mind-altering substances. There are no dues or fees for C.A. membership; we are fully self-supporting through our own contributions. We are not allied with any sect, denomination, politics, organization or institution. We do not oppose any causes. Our primary purpose is to stay free from cocaine and all other mind-altering substances and help other addicts to achieve the same freedom.

We use the Twelve Steps of recovery because it has already been proven that the Twelve Step recovery program works.

It is a custom in Cocaine Anonymous to read either a portion adapted from chapter five of the Big Book of Alcoholics Anonymous entitled "How It Works" or "We Can Recover" taken from the CA Story Book. I have asked _____ to read this for us.

It is also a custom to read a portion of the newcomer pamphlet entitled "Who Is a Cocaine Addict." I have asked _____ to read it for us.

The Twelve Traditions are to the group what the Twelve Steps are to the individual. I have asked _____ to read these for us while we observe the seventh tradition. Newcomers need not feel obligated to contribute.

The can being passed is to support the Hospitals and Institutions Committee of Cocaine Anonymous, it goes to buy chips and literature for addicts confined to hospitals and institutions.

This is a speaker meeting of Cocaine Anonymous, please try to relate to the feelings being shared, so that you may better identify with our stories. I have asked _____ to share their experience, strength, and hope with us.

(Remind the speaker when time is up)

We give chips at this meeting for various lengths of sobriety free from cocaine and all other mind-altering substances.

I have asked _____ to hand these out.

Would all those with a year or more of sobriety raise their hands to show that the program works?

Cocaine Anonymous is a fellowship of men and women who share their experience, strength, and hope with each other that they may solve their common problem and help others to recover from their addiction. The only requirement for membership is a desire to stop using cocaine and all other mind-altering substances. There are no dues or fees for C.A. membership; we are fully self-supporting through our own contributions. We are not allied with any sect, denomination, politics, organization or institution. We do not oppose any causes. Our primary purpose is to stay free from cocaine and all other mind-altering substances and help other addicts to achieve the same freedom.

We use the Twelve Steps of recovery because it has already been proven that the Twelve Step recovery program works.

It is a custom in Cocaine Anonymous to read either a portion adapted from chapter five of the Big Book of Alcoholics Anonymous entitled "How It Works" or "We Can Recover" taken from the CA Story Book. I have asked _____ to read this for us.

It is also a custom to read a portion of the newcomer pamphlet entitled "WHO IS A COCAINE ADDICT." I have asked _____ to read it for us.

The Twelve Traditions are to the group what the Twelve Steps are to the individual. I have asked _____ to read these for us while we observe the seventh tradition. Newcomers need not feel obligated to contribute.

The can being passed is to support the Hospitals and Institutions Committee of Cocaine Anonymous, it goes to buy chips and literature for addicts confined to hospitals and institutions. This is a speaker/participation meeting of Cocaine Anonymous; please try to relate to the feelings being shared, so that you may better identify with our stories.

I have asked _____ to share their experience, strength, and hope with us. This will be followed by a participation period.

(Remind the speaker when time is up)

We give chips at this meeting for various lengths of sobriety free from cocaine and all other mind-altering substances.

I have asked _____ to hand these out.

Would all those with a year or more of sobriety raise their hands to show that the program works?

We will now begin participation; please do not share if you have used any drugs or alcohol in the last 24 hours. Please try to limit your sharing to 3 - 5 minutes so everyone has a chance to share. Who would like to start?

"HOW IT WORKS"

Rarely have we seen a person fail who has thoroughly followed our path. Those who do not recover are people who cannot or will not completely give themselves to this simple program, usually men and women who are constitutionally incapable of being honest with themselves. There are such unfortunates. They are not at fault; they seem to have been born that way. They are naturally incapable of grasping and developing a manner of living which demands rigorous honesty. Their chances are less than average. There are those, too, who suffer from grave emotional and mental disorders, but many of them do recover if they have the capacity to be honest.

Our stories disclose in a general way what we used to be like, what happened and what we are like now. If you have decided you want what we have and are willing to go to any length to get it -- then you are ready to take certain steps.

At some of these we balked. We thought we could find an easier, softer way. But we could not. With all the earnestness at our command, we beg of you to be fearless and thorough from the very start. Some of us have tried to hold on to our old ideas and the result was nil until we let go absolutely.

Remember that we deal with cocaine -- cunning, baffling, powerful! Without help it is too much for us. But there is one who has all power -- that one is GOD. May you find Him now!

Half measures availed us nothing. We stood at the turning point. We asked His protection and care with complete abandon. Here are the steps we took, which are suggested as a program of recovery:

- 1.) We admitted we were powerless over cocaine and all mind-altering substances -- that our lives had become unmanageable.
- 2.) Came to believe that a Power greater than ourselves could restore us to sanity.
- 3.) Made a decision to turn our will and our lives over to the care of GOD, as we understood Him.
- 4.) Made a searching and fearless moral inventory of ourselves.
- 5.) Admitted to GOD, to ourselves, and to another human being the exact nature of our wrongs.
- 6.) Were entirely ready to have GOD remove all these defects of character.
- 7.) Humbly asked Him to remove our shortcomings.
- 8.) Made a list of all persons we had harmed, and became willing to make amends to them all.
- 9.) Made direct amends to such people wherever possible, except when to do so would injure them or others.
- 10.) Continued to take personal inventory and when we were wrong promptly admitted it.

11.) Sought through prayer and meditation to improve our conscious contact with GOD as we understood Him, praying for knowledge of His will for us and the power to carry that out.

12.) Having had a spiritual awakening as the result of these steps, we tried to carry this message to addicts, and to practice these principles in all our affairs.

Many of us exclaimed, "What an order! I can't go through with it." Do not be discouraged. No one among us has been able to maintain anything like perfect adherence to these principles. We are not saints. The point is, that we are willing to grow along spiritual lines. The principles we have set down are guides to progress. We claim spiritual progress rather than spiritual perfection.

Our description of the addict, the chapter to the agnostic, and our personal adventures before and after make clear three pertinent ideas:

A.) That we were addicts and could not manage our own lives.

B.) That probably no human power could have relieved our addiction.

C.) That GOD could and would if He were sought.

"WHO IS A COCAINE ADDICT?"

Some of us can answer without hesitation, "I am!" Others aren't so sure. Cocaine Anonymous believes that no one can decide for another whether he or she is addicted. One thing is for sure, though: every single one of us has denied being an addict. For months, for years, we who now freely admit that we are addicts thought that we could control cocaine when in fact it was controlling us.

"I only use on weekends," or "It hardly ever interferes with work," or "I can quit, it's only psychologically addicting, right?" or "I only snort, I don't base or shoot," or "It's this relationship that's messing me up."

Many of us are still perplexed to realize how long we went on, never getting the same high we got in the beginning, yet still insisting, and believing - so distorted was are reality - that we were getting from cocaine what actually always eluded us.

We went to any lengths to get away from being ourselves. The lines got fatter; the grams went faster; the week's stash was all used up today. We found ourselves scraping envelopes and baggies with razor blades, scratching the last flakes from the corners of brown bottles, snorting or smoking any white speck from the floor when we ran out. We, who prided ourselves on our fine-tuned state of mind! Nothing mattered more to us than the straw, the pipe, the needle. Even if it made us feel miserable, we had to have it.

Some of us mixed cocaine with alcohol or other drugs, and found temporary relief in the change, but in the end it only compounded our problems. We tried quitting by ourselves, finally, and sometimes managed to do so for periods of time. After a month we imagined we were in control. We thought our system was cleaned out and we could get the old high again, using half as much. This time, we'd be careful not to go overboard. But we only found ourselves back where we were before, and worse.

We never left the house without using first. We didn't make love without using. We didn't talk on the phone without coke. We couldn't fall asleep, sometimes it seemed we couldn't even breathe without cocaine. We tried changing jobs, apartments, cities, lovers - believing that our lives were being screwed up by circumstances, places, people. Perhaps we saw a cocaine friend die of respiratory arrest, and still we went on using! But eventually we had to face facts. We had to admit that cocaine was a serious problem in our lives, that "WE WERE ADDICTS!"

THE TWELVE TRADITIONS

- 1.) Our common welfare should come first; personal recovery depends upon C.A. unity.
- 2.) For our group purpose there is but one ultimate authority - a loving GOD as He may express Himself in our group conscience. Our leaders are but trusted servants; they do not govern.
- 3.) The only requirement for C.A. membership is a desire to stop using cocaine and all other mind-altering substances.
- 4.) Each group should be autonomous except in matters affecting other groups or C.A. as a whole.
- 5.) Each group has but one primary purpose - to carry its message to the addict who still suffers.
- 6.) A C.A. group ought never endorse, finance or lend the C.A. name to any related facility or outside enterprise, lest problems of money, property and prestige divert us from our primary purpose.
- 7.) Every C.A. group ought to be fully self-supporting, declining outside contributions.
- 8.) Cocaine Anonymous should remain forever nonprofessional, but our service centers may employ special workers.
- 9.) C.A. as such, ought never be organized; but we may create service boards or committees directly responsible to those they serve.
- 10.) Cocaine Anonymous has no opinion on outside issues; hence the C.A. name ought never be drawn into public controversy.
- 11.) Our public relations policy is based on attraction rather than promotion; we need always maintain personal anonymity at the level of press, radio, television and films.
- 12.) Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles before personalities.

"THE PROMISES"

If we are painstaking about this phase of our development, we will be amazed before we are half way through. We are going to know a new freedom and a new happiness. We will not regret the past nor wish to shut the door on it. We will comprehend the word serenity and we will know peace. No matter how far down the scale we have gone, we will see how our experience can benefit others. That feeling of uselessness and self-pity will disappear. We will lose interest in selfish things and gain interest in our fellows. Self-seeking will slip away. Our whole attitude and outlook upon life will change. Fear of people and economic insecurity will leave us. We will intuitively know how to handle situations, which used to baffle us. We will suddenly realize that GOD is doing for us what we could not do for ourselves.

Are these extravagant promises? We think not. They are being fulfilled among us - sometimes quickly, sometimes slowly. They will always materialize if we work for them.

"A VISION FOR YOU"

Our book is meant to be suggestive only. We realize we know only a little. GOD will constantly disclose more to you and to us. Ask Him in your morning meditation what you can do each day for the man who is still sick. The answer will come, if your own house is in order. But obviously you cannot transmit something you haven't got. See to it that your relationship with Him is right, and great events will come to pass for you and countless others. This is the Great Fact for us.

Abandon yourself to GOD, as you understand GOD. Admit your faults to Him and your fellows. Clear away the wreckage of your past. Give freely of what you find and join us. We shall be with you in the fellowship of the Spirit, and you will surely meet some of us as you Trudge the Road of Happy Destiny.

May GOD bless you and keep you - until then.

REACHING OUT*

I made it into this Program because someone else worked their Twelfth Step on me. Someone passed it on to me. Someone was out there after they got clean and sober, caring about others. I need to never, ever forget that. Had they simply gone on with their lives and forgotten about people like me who were still using and suffering, I wouldn't be here today. My gratitude begins with that fact. It is with gratitude in mind that I reach out to others, especially the newcomers. I need to have them in my life. That is where my spirituality begins.

For me, spirituality comes from caring about others. I have found that the more I focus on improving the quality of the lives of others, the less I am into myself and my will. I feel a freedom and peace from within. The gifts I am beginning to receive in my life are greater than I could have ever imagined.

Something else I have done is that I have forgiven myself. I have forgiven myself for being an addict. I have forgiven myself for all the damage I did to my life; to my physical health, and to my career and finances. But most of all, I have forgiven myself for all of the horrible, negative and unloving things I have felt about myself. It was not until I offered and accepted my own forgiveness that I was truly able to grow in my sobriety.

“Reaching Out” is excerpted from page 127 of *Hope, Faith & Courage, Stories From the Fellowship of Cocaine Anonymous*

WE CAN RECOVER

Welcome to Cocaine Anonymous. We are all here for the same reason - our inability to stop using cocaine and all other mind-altering substances. The first step towards solving any problem is admitting that there *is* a problem.

The problem, as we see it, consists of an obsession of the mind and an allergy of the body. The obsession is a continued and irresistible thought of cocaine and the next high. The allergy creates an absolute inability to stop using once we begin.

We wish to assure you that there is a solution and that recovery *is* possible. It begins with abstinence and continues with practicing the Twelve Steps of recovery, one day at a time. Our program, the twelve steps of Cocaine Anonymous, is the means by which we move from the problem of drug addiction to the solution of recovery.

1. We admitted that we were powerless over cocaine and all other mind-altering substances — that our lives had become unmanageable.
2. Came to believe that a Power greater than ourselves could restore us to sanity.
3. Made a decision to turn our will and our lives over to the care of God, as we understood Him.
4. Made a searching and fearless moral inventory of ourselves.
5. Admitted to God, to ourselves, and to another human being the exact nature of our wrongs.
6. Were entirely ready to have God remove all these defects of character.
7. Humbly asked Him to remove our shortcomings.
8. Made a list of all persons we had harmed, and became willing to make amends to them all
9. Made direct amends to such people wherever possible, except when to do so would injure them or others.
10. Continued to take personal inventory and when we were wrong promptly admitted it.
11. Sought through prayer and meditation to improve our conscious contact with God, as we understood Him, praying only for knowledge of His will for us and the power to carry that out.
12. Having had a spiritual awakening as the result of these steps, we tried to carry this message to addicts and to practice these principles in all our affairs.

Cocaine Anonymous is a spiritual program, not a religious one. In CA we believe each individual can choose a Higher Power of his or her own. In short, a God of his or her own understanding.

No one comes to Cocaine Anonymous to find God. We came into these rooms to get rid of a terrifying drug habit. Look around this room. You are surrounded by people who came as a last resort. We came into these rooms emotionally, financially, and spiritually bankrupt. We have experienced all sorts of tragedies as a result of cocaine, drugs, and/or alcohol. We have lived many of the same horrors you have, yet today we are free from the misery, terror, and pain of addiction.

Maybe some of us were worse off than you; maybe some of us didn't hit as low a bottom as you. Still the fact remains that those of us who are recovering have come to believe that a Higher Power of our own understanding can restore us to sanity.

There is a solution; we can recover from addiction. One day at a time, it is possible to live a life filled with hope, faith and courage.

The 12 Concepts

COCAINE ANONYMOUS TWELVE CONCEPTS FOR WORLD SERVICES *

CONCEPT 1 - The final responsibility and the ultimate authority for C.A. World Services should always reside in the collective conscience of our whole fellowship.

CONCEPT 2 - The C.A. groups delegate to the World Services Conference the complete authority for the active maintenance of our World Services and thereby make the Conference - excepting for any change in the Twelve Traditions - the actual voice and the effective conscience for our whole Fellowship.

CONCEPT 3 - As a traditional means of creating and maintaining a clearly defined working relationship between the groups, the Conference World Service Board of Trustees and its service corporation, staffs, and committees, thus insuring their effective leadership, it is here suggested that we endow each of these elements of World Service with a traditional "Right of Decision."

CONCEPT 4 - Throughout our conference structure we ought to maintain at all responsible levels a traditional "Right of Participation," taking care that each classification or group of our world servants shall be allowed a voting representation in reasonable proportion to the responsibility that each must discharge.

CONCEPT 5 - Throughout our World Services Structure, a traditional "Right of Appeal," ought to prevail, thus assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will be carefully considered.

CONCEPT 6 - On behalf of C.A. as a whole, our World Services Conference has the principle responsibility for the maintenance of our World Services, and it traditionally has the final decision respecting large matters of general policy and finance. But the Conference also recognizes that the chief initiative and the active responsibility in most of these matters should be exercised primarily by the Trustee members of the Conference when they act among themselves as the World Service Board of Cocaine Anonymous.

CONCEPT 7 - The Conference recognizes that the Charter and the bylaws of the World Service Board are legal instruments; that the Trustees are thereby fully empowered to manage and conduct all of the World Services affairs of Cocaine Anonymous. It is further understood that the Conference Charter itself is not a legal document that it relies instead upon the force of tradition and the power of the C.A. purse for its final effectiveness.

CONCEPT 8 - The trustees of the World Service Board act in two primary capacities: a) with respect to the larger matters of overall policy and finance, they are the principle planners and administrators. They and their primary committees directly manage these affairs b) but with respect to our separately incorporated and constantly active services, the relation of the Trustees is mainly that of custodial oversight which they exercise through their ability to elect all directors to these entities.

CONCEPT 9 - Good service leaders, together with sound and appropriate methods of choosing them, are at all levels indispensable for our future functioning and safety.

CONCEPT 10 - Every service responsibility should be matched by an equal service authority - the scope of such authority to be always well defined; whether by tradition, by resolution, by specific job description or by appropriate charters and bylaws.

CONCEPT 11 - While the Trustees hold final responsibility for C.A.'s World Service administration, they should always have the assistance of the best possible standing committees and service boards, staffs and consultants. Therefore, the composition of these underlying committees and service boards, the personal qualifications of their members, the matter of their induction into service, the systems of their rotation, the way in which they are related to each other, the special rights and duties of our staffs and consultants, together with a proper basis for the financial compensation of these special workers will always be matters for serious care and concern.

CONCEPT 12 - General Warranties of the Conference - In all its proceedings, the World Service Conference shall observe the spirit of the C.A. Tradition, taking great care that the Conference never becomes the seat of perilous wealth or power; that sufficient operating funds, plus an ample reserve, be its prudent financial principle, that none of the Conference Members shall ever be placed in a position of unqualified authority over any of the others; that all important decisions be reached by unanimity; that no Conference action ever be personally punitive or an incitement to public controversy; that though the Conference may act for the service of Cocaine Anonymous, it shall never perform any acts of government; and that, like the Fellowship of Cocaine Anonymous which it serves, the Conference itself will always remain democratic in thought and action.

The Board of Directors has one vote each except in elections, where they have one vote collectively.

- 1.) A simple majority of eligible voters is required for the adoption on any motion.
- 2.) In most cases, a vote is by voice, with members signifying either “Aye” or “Nay.” If the vote is not unanimous, then a show of hands is called for.
- 3.) In elections, a written ballot is required.
- 4.) Before the vote is actually taken, the Chairperson calls for the secretary to restate the motion.
- 5.) A motion which passes is “carried.”

A Quorum - consisting of 2/3 of the represented C.A. Homegroups is required for the adoption of any motion or resolution (Bylaws, Article III section 3)

Point of Information - A Point of Information is a question of the Chair, or someone else the Chair designates to answer, regarding the motion on the floor. Points of Information will be taken after debate is heard since many questions are answered during the debate.

Questions - Regarding the motion may be directed to the person making the motion, though the person asking the question still retains the floor.

Point of Order – A Point Of Order can be raised by anyone at any time during the course of the meeting as long as it relates to a breach of the rules. This point takes precedent over anything else.

BASIC PARLIAMENTARY PROCEDURE

Part Two - Types of Motions

- 1.) **Motion to accept the minutes** - A motion to accept and approve the minutes of the previous month's meeting, and add these to the record.
- 2.) **Motion to accept the Treasurers report** - A motion to accept and approve the Treasurer's report and add it to the record.
- 3.) **Friendly Amendment to the motion** - A request to add something to a motion under discussion; it is up to the person making the motion to accept or reject a Friendly Amendment. If a friendly amendment is accepted, it then becomes part of the motion.
- 4.) **Motion to suspend the rules** - A motion to forgo the regular order of business, usually so that a motion can be made.
Example: All motions must be made before 8:45 p.m. at a regular business meeting of S.V.I. A motion to suspend the rules would have to be made, then voted upon and carried to bring a motion to the floor after that time.
- 5.) **Motion to table** - This suspends discussion on the motion until the next scheduled business meeting of S.V.I. (if the motion to table carries), this motion has precedence in that it is the first item discussed under old business at the next meeting of the committee. A motion to table requires a second and a simple majority vote to carry.
- 6.) **Motion to call for a vote** - This suspends all discussion on a motion, and, if carried, requires that the motion currently under discussion be voted upon at once. A second and a simple majority vote are required to carry a motion to call for a vote.
- 7.) **Motion to adjourn** - Along with a second and a vote, is required to adjourn the meeting.
- 8.) **Motion to limit debate** - A motion to limit debate can be made in one of two ways.
 - A) By time - a specific period of time is allotted to discussion, after which the vote is taken.
 - B) By members - a specific number of S.V.I. members may be allowed to present their views, after which a vote is taken.
- 9.) **Motion to reconsider** - Once a motion has passed, it cannot be reconsidered except by a motion to reconsider the vote, or a "Right of Appeal" under the Fifth Concept for World Service.
A motion to reconsider must be made by a person who voted on the prevailing side during the debate.

The Fifth Concept of the Twelve Concepts for World Service, the “Right of Appeal” should always be observed, “assuring us that minority opinion will be heard and that petitions for the redress of personal grievances will carefully be considered.”

10.) **Motion to Withdraw** - A motion may be withdrawn by the person who made it before a vote is taken.

SPECIAL NOTE: In general, Sun Valley Intergroup follows Basic Parliamentary Procedure as described in “Robert’s Rules of Order.” There are however, important exceptions in regards to where these conflict with the Twelve Traditions and/or the Twelve Concepts for World Service, which must always take precedence.

Appendix - Suggested Money Handling Techniques:

1. An understanding that the Treasurer will NOT borrow funds from the treasury: There is NO REASON for ANYONE to ever borrow, from the SVI Funds.
2. **An understanding that the Treasurer is NOT to co-mingle funds: It is recommended that personal monies and SVI monies not be combined at any time from receipt through to deposit.**
3. **When money is turned in to the Treasurer at the SVI monthly business meeting, a receipt will be given to the person turning in the money before the end of the meeting.**
4. Checks and Balances: **Deposits** of funds to be made on the following business day. SVI's Treasurer ***or Finance Chair*** immediately make any deposits of funds received. **Next business day is a reasonable request.** (The amount deposited will be recorded and checked against the next financial statement provided).
5. ***SVI's main Bank Accounts should have three signatories on the account: It is recommended that these be the SVI Chair, Vice-chair and Treasurer. A Trusted Advisor or Trustee can take the place of the Vice-chair, if required. All SVI sub-committees with a bank account should have at least 2 signers on the account. The names, phone numbers, and email addresses of all signers should be given to the SVI Finance Chair as soon as they are on the account. The SVI Finance Chair should be given read-only access to all subcommittee bank accounts for monthly oversight and bank account reconciliation.***
6. It is recommended that a Safety deposit box be maintained to keep Classified Account information. It is not recommended that this classified information be maintained within computer Hard Drives. Keeping it on a Floppy, Memory Stick or Disc is recommended for editing purposes. Only (1) digital recording will be maintained and kept with the Treasurer's Archival records, in a safe place with the Treasurer, preferably under lock and key.
7. **All requests for reimbursements must be accompanied by a receipt. A Check Request form will be filled out and the receipt attached to this form. On this form will be the check number, amount, purpose, and to whom it was made.** Those using Accounting Software, will probably also want to include the Purchase Order number.
8. **For any expenditure over \$250.00 there must be a Three Bid process: This verifies to SVI that they are getting the best deal available for large purchase items and/or services.**
9. It is suggested that SVI keep a Prudent Reserve of ***four (4)*** months operating expenses. This prudent reserve formulation and the 70/30 plan splits for excess Prudent Reserves disbursement are maintained within The Finance Committee Guidelines pg. ***4.5***.
10. A financial review of SVI's financial records should take place quarterly with the Finance Committee, Treasurer, District Chair, Accountant, all Subcommittee Treasurer's, and any person utilized with accounting expertise. All bank accounts tied to SVI's Tax ID number will be reviewed. Verification that all checks have been written to the appropriate people or institution accounts are reconciled, receipts are in place and all deposits have been made correctly. This is a good time for the SVI Officers to look at which meetings and/or committees may need assistance with their treasuries.
11. **When a new treasurer is elected, all records need to be turned over to the new treasurer:** When SVI elects a new treasurer, the treasurer who is rotating out will schedule time with the new treasurer from October – December to sit down with the incumbent so they understand all the detailed aspects of the SVI Treasurer duties and responsibilities. All bank account signatory cards, safety deposit accounts, online banking, CA World Chips and Lit. ordering accounts and any other online accounts will be updated within the first week of January, beginning the incumbent treasurer's 2 year commitment.
12. Immediately notify the sub-committee chairperson and SVI BOD upon discovery of missing funds.
